Community Jigsaw Puzzle

"We're- Linked-Together" Paper Chain

Help us solve our mystery puzzle.

A person who enjoys putting together jigsaw puzzles is called a "dissectologist".

- Went to a costume party as a jigsaw piece but I didn't like it. I just didn't fit in.
- I'm so proud of myself because it only took me six months to complete a jigsaw puzzle. The box said two to four years.
- My friend is going crazy after losing a puzzle piece for her 15,000-piece puzzle. Wait till she finds out that I'm missing 14,999 pieces.
- Why did the Rubik's cube go to the doctor? He was feeling all mixed up.
- What did the crossword puzzle say when it got stuck? I'm at a loss for words.
- I like most puzzles. However, I draw the line at dot to dots.
- Now that I have swallowed a puzzle piece, I can finally discover my inner piece.
- How does a person who has fallen asleep on a jigsaw puzzle wake up? With a puzzled look.
- Cyclops: Honey. I'm trying to solve this crossword puzzle and I think the answer for this one is "Hawaii" but I don't really know how to spell it. Can you help me out?"
Cyclop's wife: Well, I think you need two 'i's for that one."
