Tiny Art Show

Age 5 to Adult!

create a tiny masterpiece!

Display your artistic talents in our tiny art show. Pick up a **tiny art kit** and create your masterpiece at home! Create with any medium you prefer paint, pastels, collage, pencils, markers, pens, whatever you choose. The only rules are that you cannot change the dimensions of your art (that tiny 4x4 canvas) and that the finished work should be family friendly. When completed, return the canvas to the library.

Tiny art kits will be available beginning Monday, June 23.
Supplies are limited.

Return your **completed artwork by Friday, July 11.**

Join us at **noon on Saturday, July 19** for the reception to celebrate all the artists! Art will be displayed for public viewing until **Saturday, August 9.**

Color our World with decorated popsicle sticks! When you visit this June, stop by the table near the front desk to decorate a popsicle stick. The decorated sticks will be assembled in a collage to create a piece of community art!

Get ready to explore! Go on a **Color Scavenger Hunt!** Search the library to find that week's color and get a fun treat!

Pssssst! Did You Ssssaay...
